Unforgiveness -most common root of physical, mental and spiritual dis-ease.

Lack of forgiveness does not hurt the other person, it hurts us!

5 steps to Forgiveness

Forgive yourself for letting the other person affect your happiness

Forgive the other person (this is internal – not in the other's presence)

Give the other person permission to forgive you and themselves

See the good in the situation

Be thankful for the experience and the lesson it taught you

Apply Valor according to Day 1 protocol

Apply Harmony to your chakras- according to Day 2 protocol

Apply Forgiveness – around your navel

Your navel- a powerful central energy meridian – all nerve endings here
